Dear Sir:

Prior to examination, please amend the above-referenced application as follows:

IN THE CLAIMS

Please add new claims 18-40 as follows:

Sub D1 --18. A method of automatically changing a TV channel at a viewer location, comprising the steps of:

entering, at the viewer location, information regarding a viewing preference; and

transmitting, from a broadcaster to the viewer location, a TV program including a pointer that automatically switches the TV program that the viewer is watching to another program based on the information entered by the viewer.

19. The method of claim 18, wherein the TV program is a cable TV program.

20. The method of claim 18, wherein the TV program is an audio/video program transmitted in digital form.
